

### Landlord Briefings

The Landlord Briefing is designed to educate and provide guidance in the Housing Choice Voucher Program, rules and regulations. If you are a rental property owner or manager, the Landlord Briefings will assist you in understanding how the voucher program works.

The success of the program depends on the local housing agency (HA) being able to contract with property managers and owners who have decent, safe, and sanitary rental units. You are encouraged to check with your local or state human rights agency to find out what the fair housing laws are for our state. Many low-income families in your community rely on owners like you, who are willing to participate in the program.

In most communities, there is a shortage of decent and affordable housing. The subsidy that comes with the Housing Choice Voucher Program helps families to rent in many different neighborhoods. Participant families include elderly persons, disabled persons, and working families who do not earn enough to keep pace with rising rental housing costs.
